2020 Tintic Silver Jubilee GRAND MARSHALS

Gordon & Leigh Grimstead

Gordon & Leigh Grimstead 2020 Tintic Silver Jubilee Grand Marshals

Almost everyone knows Me; Gordon, Mr. G, Papa, Happy's Owner, these are the names for the short, bald guy with the dogs (Happy and Thankful (Tink)). Leigh is always there beside me. She seldom receives the accolades, but she is the wind beneath my wings. She is the energetic, helpful, loving caregiver, not only for me but for all those who know her. She is the one that keeps me going, getting me up and feeding me my medicines. We are a package and Leigh is the best part of that package.

We are both educators, I started teaching at Eureka Elementary School in 1978. I have had a lot of years with the children and youth and those years were all a lot less complicated than now. I retired from Tintic in 2006 but couldn't stand being home alone so I taught 12 more years in a "Youth in Custody" program for Nebo School District. I loved teaching and even now I feel a drive to teach my family and those I love.

Leigh first taught our seven children and cared for countless others within the walls of our home. Later in life she returned to school to complete her degree to then teach at Eureka Elementary for 22 years. She loved teaching the littlest ones. She has a song for everything and if she doesn't, she will make one up.

I recall this time of year, when teachers and staff were preparing to return to school. It was wonderful and exciting for me as an administrator and teacher. It isn't the years that have forced me to give up my keys, and it isn't the outstanding children or their parents. It has always been wonderful when I look back at them. The students and their families have always been fantastic. Now we are working to bring 17 of our grandchildren up through Tintic's educational system. (We have 28 grandchildren in all!) Leigh and I know Tintic School District from the inside out and there isn't a place we would rather have our children receive their education.

Small communities are important, it truly takes a village to raise a child and we are a great village! Years ago, when we could have gone to another school district, I remember how important it was for me to invest in our schools and our community. While things in the world have changed drastically from the simpler times one thing has not changed and that is our love for the children and their parents. We are the short couple yelling at the ball games and wrestling matches. The roar coming from my lungs has been affected by the years, but I still give all I have to support my kids. I consider all the students and their parents as being "my kids." I love them all. I do know they aren't perfect, none of us are, but I know that "God doesn't make any junk."

We love Eureka. We love the children, the youth, the young adults, the parents and the grandparents. I always speak highly and with great respect to others about the people who live in and serve in our community. We also need to thank our local EMTs, the doctors, and nurses at Mountain View and Utah Valley Hospitals for keeping me going. Each day is a blessing and we are so grateful for all the moments that add up to our beautiful life.

July Coloring Contest Winners

Age Group
1-4 yrs.
Hazeliee Kirgan

Age Group
5-8 yrs.
Jordyn Froula

Age Group
9-12 yrs.

DEADLINE FOR TURNING IN COLORING PAGES IS AUGUST 25TH

NAME: _____

Age: _____

News Flash

Eureka City News

LETTER FROM THE MAYOR:

Following the destructive wind that Eureka experienced the last week in June, the American Flags on main street were in tatters. I took the flags down and was in the process of ordering new flags when I received a phone call from Serena Neese. She told me that she would like to pay for new flags. I told her that I was online ordering them at that moment and she asked what the final bill would be. I told her and with an hour she stopped by the city office and handed them a check for the full amount.

THANK YOU SERENA for your willingness to help our fine town even though you do not live within the city. It was much appreciated, and main street looks much better now because of your kind donation. *Nick Castleton, Mayor*

TINTIC SILVER JUBILEE:

The Tintic Silver Jubilee Committee have been meeting once a week since they were informed that we could have our celebration to try and get everything scheduled and purchased amid the Coronavirus Pandemic. They met with Cody Griffiths, a representative from the Central Utah Health Department who gave them some guidelines to follow for the celebration.

There will be face masks and hand sanitizer available at all vendor booths as well as several hand-washing stations around town. They are still planning on having a Drive-In Movie "The Wizard of Oz" at the High School parking lot on Friday. On Saturday, there will be the Breakfast, Parade, a Car Show right after the Parade, Vendors, The Tintic Motorcycle Museum will be holding their 4th Annual Vintage Motorcycle Show, the Tintic Mining Museum will be open and having a silent auction, and there will be the Ice Cream Social at the City Park featuring: Carver Louis. They have a lot of nice items for their Raffle, will still be serving ice cream and food, but are asking that Social Distancing be observed.

THANK YOU TO THE EUREKA CITY SUMMER HIRES:

Eureka City Mayor, Council & Staff would like to thank our Summer Hires Maicie Fuell, Eureka, Utah and Makiah Croft, Aurora, Utah for doing such a great job this year helping to maintain our City Cemetery and our City Park.

Although we only had them for a short time, they did an excellent job mowing at the Cemetery, painting picnic tables and pavilion at the City Park, cleaning and much more... Thank you, we really appreciate all your hard work and dedication.

TINTIC HISTORICAL SOCIETY:

The Tintic Historical Society will have the Museum open for the Tintic Silver Jubilee. They have souvenirs, new hats, and shirts available for purchase and will be having a Silent Auction this year. They are accepting donations for the silent auction as well monetary donations (large or small) or items to be placed in the museum. All donations are appreciated. So, come out and support your local museum!
