THIS NEWS

Hello, this is for the activities from the month of October-November in Tintic High School. The drama classes took a field trip to the Orem Hale Theater to watch their performance of "Catch Me If You Can." Both our baseball and volleyball teams made it to compete in state this year. The Utah Symphony came to visit our school and play for us. The boys and girl's cross country teams won region, the boys tying with Merit. They made it to state, Bailey took 1st place in state. The Juniors put on the play Horror High for their Jr. Play, they did great on Nov. 3rd. The Drama had a talent showcase to show off the talents the class holds this year on the 7th of November. The drama class and the student council went down for the Eureka Elementary Veterans program. The drama class did a skit and read poems. The student council read poems. We have a fun thanksgiving activities planned for the 22nd after lunch until the end of the school day in Harry Potter themed fun!

EUREKA ELEMENTARY NEWS

The past month has brought on some changes for us here at Eureka Elementary. We all are experiencing the change of the seasons with Winter, holidays and cooler temperatures. Halloween came and brought changes and great experiences as did Veterans Day. Our activities that came along with those events have been memorable and enjoyable.

On November 10th we invited all Veterans of Eureka to come to our school for a program and lunch. We have done this for the past many years. This has taken lots of effort to 1. Find the Veteran and or their spouse, 2. Create and send invitations to all of them, 3. Prepare the program and execute the program, 4. Decorate the school and the lunchroom, 5. Prepare and serve the lunch to the Veterans and spouses. It is all worth it to see those proud members of our community come to our school and spend some time with us. The program was incredible and so was the lunch. Thanks go out to our Veterans for their service and sacrifice. Also to the spouses and families of these great folks. We also want to thank Mrs. Hughes, Mr. McDonald, Mrs. Evans and the students that participated in the powerful program. The meal was organized and prepared by Terri Pehrson and Stefanie Holden.

The PTO put on a great Halloween Carnival this past month and it was enjoyed by so many. A shout out has to go out to Lindsay Garbett for that great event where local kids were able to come and show off their costumes, play games, enjoy some treats and enjoy the company. Great efforts were put in to make this a success.

Our 2nd and 4th grade classes just finished a 10 week RadKIDS program. They learned how to handle themselves in many dangerous situations that happen to kids sometimes. Eureka Elementary would like to thank the RadKids program from Juab county and the county law enforcement personnel that came to assist with that event

Here are a few pictures from the RadKIDS training.

YOUNG AT HEART SENIORS

Awesome autumn leaves arrangement and the aroma of early Thanksgiving dinner greeted us Young at Heart seniors at noon on November 2, thanks to Leah Towers and us capable cooks.

Marla Coons greeted us and led us in the “Pledge of Allegiance,” to the flag of the United States of America and singing of “God Bless America.” Patrick Mahoney asked The Lord’s blessing on us, our community, our country, and our food. Our assigned potluck as always was

Delicious.

A short business meeting reminded us that our early Christmas party will be on December 7, catered and feature a \$10.00 gift exchange game.

Marla led us in filling in the blanks of a list of proverbs. We “Whiz Kids” got 27 out of 30 right! We sang “Over the freeway...to grandmother’s house we go” Door prizes were won by Harry Russell, Daniel (our AGA nurse), Afton Berry, Janice Boswell, and Max Berry!

Happy Thanksgiving everyone, see you on December 7.

Secretary

Betty Cones

MESSAGE FROM THE MAYOR

It's been a long time in the works, but we can finally see daylight at the end of the tunnel. About 10 years ago, the mayor and city council saw the need for a huge upgrade to our sewer and water systems. Except for Brian Underwood, the council and mayor have all moved on, but it was their vision that started the process that has gotten us to this point. Thanks to former Mayor Milt Hanks who spent hundreds of hours on the phone and in meetings lining up the financing to make this project possible. While we don't see the pipes in the ground, the added water storage on the south side of town, or the new well at Tintic Junction, we all notice the new asphalt on the roads and in many cases the increase in water pressure when we take a shower. While there is still work going on, it's nice to have the services to our homes and the streets in such good repair, especially remembering how bad the roads were during last winter. Lynn and Fred should have a much easier time this year keeping the roads plowed and salted. There have been issues and it hasn't always been pretty, but most of us can agree that JCI Construction has been great to work with. Sunrise Engineering, who designed and has been here every step of the way has also done a great job. Thanks to both organizations for making this happen with a minimum of delays or problems. Thanks to all of you for your patience, especially when you had to try nearly every road in town just to find your way to main street while the road in front of your house was nothing but a gaping hole. I have had citizens tell me that they drove on roads they never knew existed.

There has been a problem getting the covers for the sewer clean-outs and a couple of other items, just rest assured that we will be getting them in and the pipe sticking up in the middle of your driveway will be cut to size just as soon as possible.

Thanks for your understanding and patience.

Mayor Nick Castleton
