## MAYOR'S LETTER TO COMMUNITY

To the good citizens of Eureka,

I want to publicly say thank you for the support and faith you have in me, to lead our City into the future. With the support of the great City Council members and each of you I am confident we can build upon the great efforts of those who have served before us.

A-little history of my love for Eureka and our surrounding area. As a young boy my parents use to drive us kids out to the “desert” to collect pine nuts and just hang out.

I can still remember vividly my dad pulling into a pinion pine grove (it’s now gone) near the Juab County road shed and the excitement of exploring this new and exciting place.

As I explored that day I quickly fell in love with the smell of the pinion pines. The warm wind blowing through the trees. The fragrance of the sage brush and the dusty “poofey” dirt under my feet. These fond memories created an indelible, wonderful impression of the Tintic area forever in my soul.

As an adult I still feel the same emotions when I experience the warm evening winds and witness the most amazing sun rises and sets. I still feel the same excitement when Christina and I explore the roads and the surrounding trails. I still relish the smell of the pine trees, the sage brush and the (at times choking) dust. Yep..I still love it!

Another aspect of my love for the town and the Tintic area are the people. Eureka is full of the most diverse, hardworking, compassionate and amazing folks. I often tell people that at times; we don’t necessarily agree with each other. But like a family if someone tried to invade our town they would be making a very poor choice.

As you can see my roots are here.

I wanted to write this note to provide you with a little history, my vision and thoughts in which I would like to concentrate energy and efforts going forward. Listed below are my top five areas of focus.

- Run the City like a business
- Protect City resources
- Code/Law enforcement
- Transparency
- Tourism/Hospitality

My feelings are very strong concerning the validity of each of these points to continue, sustain and improve our way of life in Eureka.

I am totally in favor of hearing thoughts, ideas and philosophies. I don’t claim to have all the answers. I would expect to hear your concerns and ideas on important issues that we may need to focus on. Please email me at [mayer@eurekaut.com](mailto:mayer@eurekaut.com) or call/text to 801-380-7700.

## MAYOR'S LETTER TO COMMUNITY CONT.

A couple of thoughts and ideas to think about when contacting me, or the city employees to discuss items.

- Please don't leave a voice mail, I don't listen to them.
- If you have a complaint, please try to formulate a solution if possible. Anyone can complain, but it helps to have wise and viable idea for the solution, and to have positive dialogue.
- Remember; serving in Eureka is not for the compensation, all in the city leadership serve out of the goodness of their hearts. We actually pay with time and sometimes cash for the opportunity.
- I do work out of town most days, so don't bother coming to the house. Please call, text or email. If there is problem which warrants immediate attention I am more than happy to leave work to address the impingement.
- I am not on Facebook, Twitter or Snapchat, or any other social media.
- If there are discussions or philosophies flying around social media unless these conversations are discussed with me in person, I will have no idea what is being discussed or give the "talk" any credibility.
- Please discuss City business with me or the council members personally. My family members and the Council's family members are not the elected officials. They may have their own personal opinions. Their thoughts, influences and ideas may not necessarily, or are the same as mine or the individual Council members.
- If you ask to discuss items in confidence, no one other than you and I will ever know. I will respect and honor your requests.
- Please be kind and mindful of the City employees. They should not be the target of grievances. Please reserve hostile discussions for me or the individual council members. Please do not target the staff just because they are convenient.
- Please try to have faith in the City leadership. Every individual which sits in leadership positions in our community are currently and or have been historically positioned in major business or public leadership positions of influence.

I am grateful for the city employees and their efforts in keeping our water flowing, bills paid, snow removed and all of the unseen and un-noticed acts in which these good people embark in. Thank you!

Living in Eureka has fulfilled my youthful dream, I love it here. The only negative I have about the town are the deer eating EVERYTHING that is pretty! Or nice.

I know our community has experienced great times in the past, I know even better times are ahead!

Thank you

Mayor Chris Dever

## *Geraldine (Gren) Garbett*

*May 5, 1932 ~ February 2, 2022 (age 89)*

Geraldine Gren Garbett, age 89 of Eureka, passed away February 2, 2022, surrounded by family. She was born May 5, 1932 to Melvin Victor Gren and Geraldine Hickman Dearing.

Geraldine grew up in Provo, Utah and spent her childhood with many friends and close family. She was especially fond of her father and would always talk about how wonderful he was. As a young girl she and her sister moved to Eureka to live with their Aunt Lygia, over the Vienna Bakery. Since then, she has called Eureka her home.

Gerry was married to Paul Hansen; they had five children together, and later divorced. She married Jack Garbett December 10, 1962, they had one daughter and spent the next 59 years together. Her and Jack loved going to Las Vegas to see the shows and play games. Over the years they were each other's best friend, and loved trying to get one over on each other.

Geraldine lived for her family. She was the proud mother of 6 children and numerous grandchildren who loved her dearly. She enjoyed fishing trips to Strawberry and hunting trips to La Sal. She was a fantastic baker and spoiled her family with cookies, pies, cakes, and bread. You could go to her house any time and there would be a pot of coffee and cards on the table, ready to be played. She enjoyed shopping trips to the valley, and always wanted to stop for a strawberry shake "at the top of the hill". She loved animals and had many dogs and cats over the years that she spoiled with slices of toast before bedtime and rides in the car. She loved all kinds of music and dancing. She loved a good joke and had an excellent sense of humor.

Gerry was truly the center of her family. Not a day will go by that her loss will not be felt.

Gerry is survived by her husband Jack T. Garbett, daughters Sandra (Doug) Fullerton of St Geroge, Janet (Jim) Larson of Lofgren, Jeri (Larry) Ezell of Eureka; son William (Sandy) Hansen of Eureka; brother Gordon Victor Penrod (Carolyn) of Mesa Arizona, 13 grandchildren, 30 great-grandchildren and 10 great-great-grandchildren. She was preceded in death by her parents, sister Vivian Gren Hudson, brother Dwaine Melvin Gren, daughter Pauline (Tom) Taylor, and son Gordon M. Hansen.

There will be a celebration of Geraldine's life Tuesday February 8, 2022 at 12:00 p.m. at the Eureka City Cemetery.
