NOTE FROM THE MAYOR

I hope everyone had a great Christmas and that the New Year brings each of you joy and happiness. Christmas was a bit of a challenge for Eureka City Employees, Fred and Lynn. I hope everyone will give them a big THANK YOU for spending Christmas Eve plowing snow so families could get where they needed to go without getting stuck. They both worked all night plowing and sanding the roads. I've had a chance to visit several other communities, large and small, in the central Utah area, and most of their roads are still not cleared of snow. Most of them never see a snow plow in their neighborhoods, so if you don't live on a through street, you are on your own after a snow storm. A simple thank you at least lets them know that their efforts are noticed and appreciated.

On the subject of snow, we're doing better about keeping vehicles off the roadways so the plows can get through, thank you. We are seeing a problem with those of us who are using 4 wheelers or snow blowers to clear our walks and driveways. If you push snow across the street or blow snow into the street, it is your responsibility to take a few more minutes and clean the snow back off the street. While you may think of the street in front of your house as yours, it still belongs to all the residents of town, so you owe it to everyone else in the community to keep it clear of snow, vehicles or any other obstacle.

The city is almost ready to launch a brand new web site. It will still have the same domain name, but the content will be greatly expanded. You will be able to access schedules, minutes of meetings and all sorts of stuff that will be of interest. You will even be able to sign up for alerts, which will allow you to receive information about water outages, or other emergencies on your cell phone or computer. Keep watching, it should be up and running within a week or so.

We have new, brighter lights on main street now and we are looking into the possibility of some new lights around town. If you have a concern over a dark road or intersection that needs a light, let us know and we will take a look at it.

Eureka City is working with Tintic School District in an effort to provide more community recreational opportunities. As most of you are aware, we are working together to offer young people the opportunity of participating in the Jr. Jazz basketball program. Eureka City also provides Little League Baseball. We would like to offer other programs that would be of interest to the community, but we need to know what the residents want and would support. Please check the list below and return to the city office or call 433-6915 and give us your opinion.

Co-ed volleyball	Co-ed s1oft ball
Basketball	Co-ed or separate men and women teams
Karate	Other (Just give us your ideas)

Thanks and Happy New Year,
Mayor Nick Castleton
