**PUBLIC NOTICE**  
**Five-Year Review Planned for the former**  
**Eureka Mills Superfund Site**  
**Juab County, Utah**

The Utah Department of Environmental Quality, Division of Environmental Response and Remediation (UDEQ/DERR) and the U.S. Environmental Protection Agency (EPA) are conducting the fourth Five-Year Review of the remedial actions performed for the Eureka Mills Superfund Site. The purpose of a Five-Year Review is to evaluate the implementation and performance of a remedy in order to determine if it is or will be protective of human health and the environment. The Five-Year Review will include a review of site documents, community interviews, and a site inspection to evaluate all remedy components, as well as the status of land-use controls. Upon completion of the review, a report will be made available to the public and is scheduled to be completed by July 17, 2023.

The U.S. EPA placed the site on the Superfund program's National Priorities List (NPL) on September 5, 2002 and completed cleanup of all properties within the city of Eureka in October 2011. More than 700 residential and commercial properties were addressed by remedial and removal cleanup which included capping and stabilizing thirteen large mine waste areas, construction of sediment ponds, and other drainage control features. In 2010, the City of Eureka adopted a land use ordinance, entitled "Regulations and Permitting Procedures for Excavations and Development," to ensure the protectiveness of the remedial actions to public health and the environment. With the completion of all response actions, the site was deleted from the NPL on September 25, 2018.

**UDEQ and EPA invites community participation in the Five-Year Review process:** As part of the Five-Year Review process, community members are encouraged to contact UDEQ staff with any information that may help EPA make its determination regarding the protectiveness and effectiveness of the remedies at the site. Additional site information is available at: DERR Offices located on the 1<sup>st</sup> Floor, at 195 North 1950 West, Salt Lake City, Utah, 84114. Please call for an appointment to review records at (801) 536-4100, Monday through Friday, from 8:30 A.M. to 4:30 P.M. Project documents are available online at: <http://eqedocs.utah.gov/> using the search phrase "Eureka Mills." **Or visit the EPA website at:** <https://cumulis.epa.gov/supercpad/cursites/csitinfo.cfm?id=0801644>

# OBITUARIES

## ***Patrick John Castleton***

***February 16, 1971 ~ December 7, 2022***

Patrick John Castleton was born on February 16, 1971 to J. Nicholson and Carole Ann (Larsen) Castleton in Salt Lake City, Utah. He lost his life after a short battle to lung cancer on December 7, 2022 in Butte, Montana.

Patrick grew up in Eureka Utah. He graduated from Tintic High School in 1989. He joined the Army during his Junior year. This allowed him to enjoy living in Germany and traveling to many different locations. During his career he lived in California where he found his love for golf. Patrick spent many years in Butte, Montana where he was able to enjoy the great outdoors especially fishing throughout all seasons.

Patrick is survived by Brandy Ault Johnson and her son Ryan Johnson of Butte, Montana. His father, Nick (Julie) Castleton of Eureka, Utah. His sisters and brother, JaNeel (Bruce) Nielsen of Eureka, Utah, Michael (Martha) Castleton of Stansbury Park, Utah, and Mary Ellen (Michael) Merritt of Stansbury Park, Utah. Along with many nieces and nephews.

Patrick was preceded in his death by his mother and older sister Kathryn Castleton. In lieu of flowers, the family would request any donations be made to [5forthefight.org](https://www.5forthefight.org) or through the Facebook Fundraiser for Patrick.

A wake will be held to share memories of Patrick on 28 January 2023 at the Tintic Elks Lodge at two o'clock.

Patrick followed in his mother's footsteps and requested that we donate his body to Montana State University Education Program.

## Slow Cooker White Chicken Chili

By Sarah DiGregorio

### INGREDIENTS

Yield: 6 to 8 servings

- 3tablespoons unsalted butter
- 1large yellow or red onion, finely chopped
- Kosher salt
- 10garlic cloves, finely chopped
- 1jalapeño, minced
- 3(4-ounce) cans chopped green chiles, hot, mild or a combination
- 2teaspoons ground cumin
- 2teaspoons onion powder
- 1teaspoon dried oregano
- ½teaspoon ground cayenne
- 2pounds boneless, skinless chicken thighs
- 3cups chicken stock
- 2(14-ounce) cans great Northern beans, drained and rinsed
- 1½cups frozen corn
- 1cup finely chopped fresh cilantro (about 1 small bunch), optional
- 1lime, juiced (about 2 tablespoons)

Pickled jalapeño slices, sliced scallion, cubed avocado and sour cream, for serving

### PREPARATION

1. **Step 1**  
In a large Dutch oven, melt the butter over medium heat. Add the onion, season with salt and cook, stirring occasionally, until the onion is softened and translucent, about 8 minutes. Add the garlic and jalapeño and cook until fragrant, about 1 minute. Add the chopped green chiles, cumin, onion powder, oregano and cayenne and stir until fragrant, 1 to 2 minutes.
2. **Step 2**  
Transfer the mixture into a 5- to 8-quart slow cooker. Generously season the chicken thighs with salt and add them to the pot. Stir in 3 cups chicken stock and the beans. Cover and cook on low until the chicken is tender, 4 to 6 hours.
3. **Step 3**  
Shred the chicken using two forks. (You can do this directly in the pot, or remove the chicken to a bowl, shred it, then return it to the pot.) Stir in the frozen corn, cover and cook until warmed through, about 10 minutes. Stir in the cilantro, if using, and lime juice. Season to taste with salt. Serve in bowls and pass the toppings at the table.

### Tip

- You can also cook the chili in a Dutch oven on your stovetop. In step 2, add 4 cups stock instead of 3 cups and bring the mixture to a simmer over medium-high. Reduce the heat to low, cover, and cook until the chicken is tender, stirring occasionally, about 35 minutes.
