## Eureka City News

### Animal Licenses:

Eureka City is in the process of setting up the Animal Clinic for 2020. We have been in contact with the Nebo Animal Clinic to set up a date, but they are unable to come up at this time due to the COVID-19 situation. As soon as we hear from them, we will post flyers around town informing everyone of a date and time for the clinic. If your dog already has its rabies shot, you may come into the City Office during regular hours with the proof of Rabies Shot and you can buy your dog license.

As a reminder, ALL DOGS that are six months or older within Eureka City MUST BE LICENSED, whether they are in your home or out in the yard. Rabies vaccinations are required prior to the City issuing a license.

**Kennel licenses are required for anyone owning or keeping three or more dogs. Running at Large is prohibited, all dogs must be kept on a leash or in a fenced yard.**

### Nuisances:

In July 2017, the Eureka City Council passed an Ordinance enacting regulations and abatement of Nuisances for the beautification of the City of Eureka. The Ordinance was to promote the health, safety, morals, convenience, order, prosperity and general welfare of Eureka and its residents.

We would like to encourage all Residents to get out and clean up their property help make Eureka a better place to live.

### Building Permits:

We are seeing a lot of construction activity around town. Before building, remodeling, or renovating, please check with the City Office to see if a building permit and/or excavation permit is required prior to commencing any work.

These are just some of the items requiring a permit: Buildings/sheds that is 200 sq. ft. and over, anything attached to your home or structure including porches, decks and carports, any Plumbing or Electrical, and heating (including furnace replacement)

These permits are in place to help protect you as a homeowner as well as the City.

### Business Licenses:

Eureka City has an Ordinance requiring a license to operate within the city limits. Below are a couple sections copied out of the ordinance which describe what a business is, who is required to get a license as well any penalty's for not getting a license.

**BUSINESS:** Includes all activities engaged in within the City carried on for the purpose of gain or economic profit, except that in the acts of employees rendering service to employers shall not be included in the term "business", unless otherwise specifically provided.

### BUSINESS LICENSE REQUIRED:

- A. It shall be a Class B Misdemeanor, subject to penalty as provided in Utah Code 76-3-301, for any person to transact, engage in, or carry on any business, trade, profession, calling or to operate a vending, pinball, or coin operated machine without first receiving the class or type of license required by the City. The period of such license will be for one year.
- B. A special short-term business permit may be issued by the Mayor, City Manager, or Recorder for retail sales at booths, concession stands, fruit stands, etc... for a period not to exceed seven (7) days. The fee for this permit shall be set by resolution of the City Council.

**Eureka City has a Code Enforcement Officer now who will be out enforcing these ordinances.**

### **TINTIC SILVER JUBILEE CELEBRATION**

**AUGUST 14<sup>th</sup> & 15<sup>th</sup>, 2020**

The Tintic Silver Jubilee Committee was given the go ahead to continue planning for our Town Celebration to be held August 14<sup>th</sup> & 15<sup>th</sup>, 2020. We are hoping to be at the Green Phase of the Coronavirus situation by that time, but it depends on the States recommendations concerning the COVID-19 pandemic at the time for our Celebration, things still could change. So, for this to happen, we must still practice social distancing, wear masks where needed, wash hands, use hand sanitizer, etc.

Our meetings are scheduled for the second Friday of each month at 7:00 p.m. We would like anyone that is planning any type of activity to attend our meetings to try and coordinate your activity with what we have already started planning. We have provided copies of the Invitation, and the Vendor Application in this newsletter. For Parade Entries, you may stop in at the City Office and pick one up.

We are accepting donations for our Raffle. All funds received by selling raffle tickets helps pay for any activities we sponsor. If your business would like to sponsor an activity, please contact the City Office or attend one of our meetings.

We don't have much time left to plan so if you want to get involved and help with this year's celebration, we welcome the help. **We must all work together!!**

# *Tintic Silver Jubilee* *Eureka, Utah*

To Whom it May Concern,

It's that time of year again when we are getting ready for our town celebration the "*Tintic Silver Jubilee*" that will be held August 14-15, 2020, in Eureka, Utah.

We are contacting all businesses within Eureka and the surrounding areas to invite them to take part in our celebration and support the Tintic Silver Jubilee Committee and Eureka City, by either being in the parade, setting up a vendor booth at our City Park or along our Historic Main Street on Saturday, August 15<sup>th</sup>, sponsor an event or make a donation.

Our parade is a one of a kind, short and sweet parade that allows businesses, ballteams, organizations, etc. to advertise as well as show their support for the town. The parade is the perfect opportunity to advertise for your business. You can have someone walking or riding bikes, ATV, in Cars, or on a float, displaying signs, handing out coupons, etc.

Vendor booths are available at our City Park or along Main Street to sell food, clothing, art, homemade goods, etc. at a cost of \$25.00 for the temporary business license. If you currently have a commercial business license issued by Eureka City, and would like to have a sidewalk sale in front of your business; or a home business and would like to set up in one of our booth spaces at the park, you will not need the temporary license, but you must contact the committee to let them know you will be selling.

You may also be interested in purchasing a banner to be put on display during the celebration. These banners not only help support our celebration, but is great advertisement for your business. The price for a new banner is \$300.00. If you have already purchased a banner in a previous year, there is a small fee of \$50.00 for renewal for it to be displayed this year.

**Donations can be an item for our raffle or a monetary donation to help with the costs of the events we are sponsoring such as the Ice Cream Social, and much more.**

If you are interested in being in the parade, being a vendor and/or would like to donate to our celebration, you may contact the city office at 435-433-6915. Parade Registration forms and Temporary Business License Applications are available on the city website [eurekautah.org](http://eurekautah.org) and can be picked up at the City Office as well.

We look forward to seeing you at our celebration.

Sincerely,
