EUREKA CITY NEWS

ANIMAL CONTROL

Eureka City along with Central Utah Animal Hospital recently sponsored our annual Rabies Clinic on Saturday May 21, 2022, but we did not have a very good turn out.

Eureka City is aware of the numerous animals within Eureka City and are asking all citizens owning these animal to be a responsible pet owner.

As a reminder, ***All dogs and cats are required to be registered and licensed in Eureka.*** Anyone that has 3 or more is required to obtain a Kennel License through the City Council. It is unlawful to allow animals to run at large or to be on private property. You can familiarize yourself with the ordinance by visiting the City's website:

https://eureka.utah.org/documents/52/Ordinance_No._06-14-21-1_Animal_Control_Ordinance.pdf

If you are unable to view online, you can request to view at the City Office or if you would like a copy, there is a \$.25 per page charge for the copies.

To get your dogs or cats registered and licensed, visit the City Office. You will be required to show proof of a rabies vaccination and pay the required fee. Animals must be registered and licensed every year.

BUILDING & EXCAVATION PERMITS

Building Permits are required within the Eureka City boundaries. Remodels, renovations, roofing, solar, electrical, plumbing, heating & air conditioning, decks, new construction of homes, garages, sheds, manufactured homes, businesses, fences, retaining walls, etc. If you are unsure if one is required, call the City Office and they will be able to assist you.

Excavation Permits are required anytime you performing any type of excavation on your property.

There is an application process which must be followed, part of which is meeting with our Permit Coordinator, pulling soil samples and paying a \$25.00 permit fee prior to performing any type of excavation.

OUTSIDE WATERING

Although Eureka City has not placed any restrictions on outside watering yet during this time of drought, they would like the citizens to be mindful of the current watering schedule that was set by Resolution several years ago. By following this schedule and watering times, it will help alleviate stress on our current water levels so we do not have to put restrictions on water use. The Council will re-address this at their next City Council Meeting.

The current watering schedule is listed below:

The Time-of-Day

Watering Parameters are:

- * Sprinkler irrigation of all lawns and landscapes is ***prohibited*** between the hours of 9am and 7pm.
- * North Side of Town:
(Monday, Wednesday & Friday)
- * South Side of Town:
(Tuesday, Thursday & Saturday)
- * No Watering on Sunday Permitted.

COMMUNITY

TINTIC SILVER JUBILEE

The Eureka Recreation Committee has been busy planning this year's celebration which will take place August 19th & 20th. We have discussed some new ideas along with continuing some of the old traditions. We are trying to change it up a bit to try and keep everyone busy all day to help celebrate our great town. Our theme for this year is "Proud History - Promising Future". This will proudly be displayed on our T-Shirts this year and will be available for sale at the City Office prior to the celebration and at our booth at the City Park on the 20th.

Here's a sneak peak at what's in store - Friday Night Drive In Movie. On Saturday, there will be the Patia 5K Run, the Parade at 10:00 am, Vendor Booths both at the City Park and on our historic Main Street, Car Show w/Raffle on the lower baseball field, Horseshoe and Cornhole Tournaments, FFA Petting Zoo, fun and games to keep the kids entertained, a Eureka's Got Talent showcase, and a change we think everyone will like in the entertainment for the Ice Cream Social

and our Raffle. We are hoping for a great turnout this year!

We are looking for any volunteers to help with various events, if interested, contact the City Office.

GARBAGE FEES

During the May 11, 2022 Council Meeting, the City Council was presented with a contract renewal for our garbage pickup with Country Garbage by owner Jay Mecham.

Mr. Mecham stated that due to the fact that they have not raised the prices since that last renewal in 2016, and with rising cost of fuel, he had no choice but to raise his rates to match what he had already been charging the other communities.

The City Council all agreed on signing the contract renewal, but asked if we could start the new rates on July 1, 2022. A notification of the new garbage rates will be sent out before the end of June.

Tintic Silver Jubilee

VENDORS WANTED

Local mine collectables and memorabilia!

We are sure we have something for all the special people in your life!

OBITUARIES

Peggy Joan (Dalton) Morris

September 3, 1931 ~ May 31, 2022 (age 90)

Peggy Joan Dalton Morris was born in Mammoth, Utah on September 3rd in 1931. She passed away on May 31st 2022, at age 90, in Spanish Fork Utah. She left this world after struggling from cancer and Alzheimer's. She was preceded in death by her husband, William Elmer Morris, her parents Jack Lyle Dalton and Madge Wheelock, and a brother, Jack Von Dalton. She is survived by Mickie Morris Thompson (Gaylon) of Globe, Arizona, Jackie Morris Mitchell (Dennis) of Spanish Fork Utah and Amy Willis of Tucson Arizona. She had seven grandchildren and had twelve great grandchildren, seven girls and five boys, with one on the way.

On June 15th a visitation will be held in Santaquin Utah, at Brown Family Mortuary from 7:00 to 8:30. Funeral services will be held in Eureka, Utah on June 16th at the Church of Jesus Christ of Latter Day Saints. There will be a short visitation starting at 10:00 AM and the service will begin at 11:00 AM. A luncheon will be served immediately after the service, and the burial will be in Spanish Fork City Cemetery at 2:00.

Her younger years were spend in Mammoth, Utah with her parents, and her older brother. She was baptized on November 29, 1939, and confirmed by George Elton in Mammoth. (The Mammoth church caved in on 1952.) She felt in was an honor to have been born and raised in her beloved Mammoth. This is where she attended Mammoth schools until sixth grade, and then was bused to Eureka for seventh grade.

After seventh grade, Joan and her family moved to Ogden, Utah. It was in Ogden that she witnessed the end of WW II. The move to Ogden was a hard adjustment for her and her brother. At the beginning of eleventh grade, she moved back to Eureka to live with relatives. So many things were happening at this time with her family, and it was decided to have her live with relatives. She graduated from Tintic High School June 6, 1949.

Joan met her husband Bill in 1947, at the malt shop in downtown Eureka. Bill gave Joan a ring for Thanksgiving in 1948. They were married on June 12th 1949 in Las Vegas Nevada, at The Little Chapel of the West. They made their home in Eureka and eventually purchased a home on Church Street. Joan worked hard to make it a home, for them and their three daughters. Mickie, Jackie, and Amy. Many precious memories were spent in this house, with family and friends.

During Joan's life she served in the Church of Jesus Christ of Latter Day Saints. She was active in Senior Citizens, and the Eureka, museum. As a member of the American Legion she compiled a Veterans Book for Eureka, Silver City, Mammoth, and parts of Dividend. This book was enjoyed by many people. It was kept at the old bank in Eureka, and could be read by the locals that came into the bank. She was also a member of Utah Daughter's of Pioneers. The monument that is at the Eureka City Park was one of her projects. She had lots of help and the monument was dedicated on September 18, 1999. She was so proud of it, and loved serving in this organization. Family History was another on of her favorite activities.

She was a wife, mother, and homemaker. She always said that this was her "greatest joy". She fulfilled this calling as wife and mother honorable, and was loved by her family. There are no words to describe how much she will be missed.

A very special thank you to Hospice and Legacy House. Many kind, and giving people helped our mom, and grandmother to get through this difficult time.
