**Public Notice  
Five-Year Review  
Eureka Mills Superfund Site  
Juab County, Utah**

The Utah Department of Environmental Quality, Division of Environmental Response and Remediation (UDEQ/DERR)—in cooperation with the U.S. Environmental Protection Agency (EPA)—is conducting a Five-Year Review of the Eureka Mills Superfund Site located in the East Tintic Mountains approximately 80 miles southwest of Salt Lake City in Juab County, Utah.

The purpose of a Five-Year Review is to determine whether or not the cleanup and other actions taken at the site remain protective of human health and the environment. EPA completed cleanup of all properties within the city of Eureka in October 2010. A total of more than 700 properties have been addressed by remedial and removal programs since 2001. Cleanup included capping and stabilizing thirteen large mine waste areas, construction of sediment ponds and other drainage control features.

This is the third Five-Year Review for site. During this review, UDEQ/DERR will examine current information, conduct a site inspection, and community interviews to evaluate all remedy components. The Review will be completed by September 2018. UDEQ and EPA will prepare a report summarizing the results. There are several ways to review information on this site. The Administrative Record, which includes EPA decision documents used for selecting the cleanup plan, is available at the local information repository listed below.

# LET'S CLEAR UP ANY MISCONCEPTIONS ABOUT THE AMBULANCE IN EUREKA!

- 1 There are NO Advanced EMT's working for Juab living in Eureka!
- 2 There MUST be an Advanced EMT to transport in the Ambulance!
- 3 Juab County applied for a First Responder License for Eureka!  
(The ambulance CANNOT take you to the hospital)
- 4 If Juab County Commissioners cared about Eureka residents, they would have taken measures to keep the Ambulance Crew! *We lost a combined 129 years of service !*
- 5 Juab County Commissioners have not responded to our plea for help, in making the work environment safe and fair for Eureka EMT's!
- 6 Juab County Commissioners want to respond to the Sand Dunes, but don't want to ensure the safety of the Citizens of Eureka! (It's about Money!)
- 7 Juab County Commissioners will not release the \* Ambulances nor the Shed to Eureka City, so they can have their own ambulance service.

\* Note: Ambulance & Shed was owned by Eureka City! They GAVE it to Juab County!

# YOUNG AT HEART SENIORS

## SENIORS IN JANUARY

Party time! On January 7th we celebrated all our Young at Heart birthdays with ice cream, cake, and party games. We began with yes and no questions to guess what name was pinned on our backs.

President Serena Neese led us in the Pledge of Allegiance and God Bless America. Joan Morris asked the blessing on the food, we enjoyed our yummy potluck. Rita Mahoney made a clean sweep on game prizes.

President Serena Neese then resigned and turned her duties over to Vice-President Marla Coons. Many thanks to Serena Neese for her devoted services.

Our next meeting will be a pizza party on February 7th.

## SENIORS IN FEBRUARY

Party time again! Pizza party to exact! Celebrating President's Day and Valentine's Day February 7th. Leah Towers had our hall decorated inn flowers and flags.

President Marla Coons welcomed us, led us in the Pledge of Allegiance, and My Country Tis of Thee. Betty Cones asked the Lord's blessing of our food and we seniors. Luncheon was prepared by Sherlin Grill and Anna Gillespie. Famous sweethearts was our pencil and paper game during our meal.

Patricia Bigler came early to take our vital signs for us. Minutes of January 7th were read by Betty Cones and the treasurer's report by Anna Gillespie. Dorothy Allinson is still on our sick list. Don Brantley and Dick Hallsey are ambulatory now! Max Berry just celebrated his 91st birthday, he is the oldest veteran in Eureka, and past president of Young at Heart! Yay Max!

New members Deanna Sorenson and Noel Wall are heartily welcomed!

Dennis Wahlberg was elected to Vice-President of Young at Heart to assist Marla Coons. Thank you, Dennis.

Our annual St. Patrick's Day luncheon was assigned: meat by Cones and Coons, veggies by Sherlin Grill and Carol Dean, desserts by Joan Morris and Diane McCauley,

Faith and Begorrah-See you on March 7th.

P.S. Linda Young's crocheted animal toys that accompanied humanitarian aid to Santa Rosa was more than needed, so were auctioned off for several hundred dollars, which was used for other necessities! You should see her elephants in tutus and turtles, and aliens, etc., etc., etc., SO CUTE! Hats of to Linda.
