YOUNG AT HEART SENIORS

SENIORS IN APRIL

April Fools! On April 1, our luncheon was cancelled because our kitchen tiles were being laid!

On tax day, April 15, we had a combined Easter party/potluck/Medicare luncheon! It must be spring: Bunnies, chicks, flowers, butterflies and green grass everywhere! Thank you, our own Easter Bunny, Leah Towers.

After President Serena Neese led us in the "Pledge of Allegiance" and 'God Bless America," we sang "Happy Birthday" to Lloyd Conder and Christine Nebeker.

Don Brantley asked the Lord's blessing on the food and we enjoyed our good cooks' cookin'. Christine Nebeker and Darren Hotten of the Six County Division of Aging Adult Services were our guests.

During the meal, Christine updated us on Medicare (and Supplements). Then a few items in our business meeting: Our movie set tour; Senior Citizens of the Year plans; pest control;

Funerals for Shad Garbett and Lee Kirk. On the sick list: Dorothy Allinson and Art Cornish.

We finished up with door prize winners: Blaine Holdaway, Anna Gillespie, Carol Dean, Leah Towers, and Helen Russell.

Don't forget Daniel, our Absolute Compassion nurse who came many extra miles to check our vital signs each month.

May 6th will be our usual potluck, and May 20 will be the movie set tour and the Senior Citizens of the Year lunch at Brumbies in Santaquin.

2015 BURNING WINDOW SET

THE UTAH STATE DIVISION OF AIR QUALITY HAS ESTABLISHED A BURNING WINDOW FOR THE BURNING OF YARD WASTE ONLY THROUGHOUT JUAB COUNTY FROM: MARCH 30, 2015 THROUGH: MAY 30TH, 2015.

Burning Permits must be applied for online at the Utah Division of Air Quality Website at: <http://www.airquality.utah.gov/Compliance/OpenBurning/index.htm> at least 3 days in advance of the anticipated burn.

After the burn permit application is completed and submitted, a copy is sent electronically to the county or municipal fire authority having jurisdiction in the area where the burning will take place. The applicable county or municipal fire authority is the permit issuing authority and no burning is allowed without an approved burn permit.

If completing the burn permit application online is not an option, a hard copy of the application may be completed and submitted by mail to the DAQ for electronic processing. To request a hard copy of the burn permit application, contact the DAQ by phone at (801) 536-4000. Please note: it may take up to 14 days from the date of request to receive a burn permit if a hard copy is submitted for processing.

All burning is subject to the conditions of the approved burn permit and the following laws and requirements:

The following conditions shall be met for all approved burning permits:

1. Approved burning allows residents to burn only clippings, bushes, plants, grass, leaves, limbs and other prunings. State Law (R307-202) prohibits burning of household waste, construction and demolition waste, milled lumber of any kind, cardboard, trash, cloth, rubbish, tires, plastics, chemicals or liquid fuels and petroleum products. Petroleum products may not be used to start fires.
2. 2. Materials to be burned must be thoroughly dry.
3. 3. State Law (R307-202-7(10)(ii) requires the Utah Clearing Index be verified which must be above 500 when burning. The Clearing Index can be obtained by telephone at: 1-801-524-5133 or via the Internet at: http://www.wrh.noaa.gov/slc/projects/ifp/html/webSMF_new.php
4. 4. State Law (65A-8-9) requires that you notify your city police department (if they have a dispatch service) or the Sheriff's dispatch at: 435-623-1349 prior to any burning and inform them of your intent to burn. Failure to notify of the burning is a class B misdemeanor and you may be liable for Fire response costs. Notification is required for all agricultural burns.
5. 5. Burning shall not be conducted within 50 feet of any structure or combustible material.
6. 6. All flammable vegetation shall be cleared within a 10-foot radius of fire.
7. 7. Persons burning shall have a garden hose available and connected to a water supply or approved fire extinguishing equipment shall be available during the burning.
8. 8. Burning material shall be constantly attended by a responsible adult until the fire has been extinguished.
9. There shall be no burning at night.

When authorized to burn, please be considerate of your neighbors. Be aware of smoke drifting towards and into your neighbors' homes. If the Fire Department is asked to respond, and if it is determined that the fire is a nuisance, the Fire Department will extinguish the fire.

The burning permit does not relieve an individual from personal liability due to neglect or incompetence. Any person burning has a responsibility to establish adequate fire breaks and to take whatever other measures are necessary to insure that the fire is properly controlled. If the fire spreads to another person's property, the person starting the fire shall be responsible for payment of the costs of the suppression action and may also be liable for damages to the other person's property.

The period from: June 1st through October 31st annually is designated as a closed Fire Season by the State of Utah. Written Burn permits are required during the "ANNUAL CLOSED FIRE SEASON" and will be issued only in very limited circumstances such as when considered necessary and safe to mitigate fire threat and risk to life and/or property.

If you have any questions, please call your local Fire Chief or the County Fire Warden at: 435-681-0035.
