Eureka City News

EUREKA CITY SOLID WASTE FACILITY

The Solid Waste Facility or “City Dump” area is scheduled to be open every Saturday from 10:00 am to 2:00 pm for the citizens of Eureka that pay for garbage pickup. There are usually two dumpsters available for citizens to take their bulky waste and a place to take yard waste that does not fit in their regular tote. Items that are not accepted are dead animals, hazardous and chemical wastes, rocks or cement, tires, asphalt shingles or construction waste of any kind. Those doing construction on their property must get their own dumpster for all the waste.

There are occasions where the dump may have to close early if the dumpsters get too full. If for any reason the gate should be closed during the regular hours on a Saturday, please do not dump the debris in front of the gate or anywhere outside the dump area as that is against the law, and violators will be prosecuted. Instead, please contact the Mayor, Chris Dever, at 801-380-7700. You may also contact the City Office, Monday through Friday during regular office hours.

Definition of an Appeal Authority is: A person, board, authority, commission, agency or other body designated by ordinance to decide an appeal of a decision of a land use application or variance.

An Appeal Authority is empowered to hear and decide:

1. Appeals from zoning decisions applying the land use ordinance.

Irish Soda Bread

INGREDIENTS

- Canola oil, for pan
- 2 1/2 c. buttermilk, plus more for brushing
- 1 large egg
- 1 1/2 c. dried currants
- 3 c. all-purpose flour, spooned and leveled
- 1 c. whole wheat flour, spooned and leveled
- 1/4 c. wheat germ
- 3 tbsp. sugar
- 2 tsp. baking soda
- 2 tsp. kosher salt
- 6 tbsp. cold unsalted butter, cut into pieces, plus more for serving

DIRECTIONS

1. Preheat oven to 400°F. Lightly oil a 9-inch cast-iron skillet or cake pan. Whisk together buttermilk and egg in a bowl. Add currants and stir to combine.
2. Whisk together all-purpose flour, whole wheat flour, wheat germ, sugar, baking soda, and salt in a second bowl. Using your finger-tips, rub butter into flour mixture until small pebbles form. Create a well in center of flour mixture. Add buttermilk mixture, stirring with a wooden spoon in one direction and gradually incorporating, until combined (dough will be sticky).
3. Using slightly wet hands, shape dough into a ball; transfer to prepared pan. Let rest 10 minutes. Brush with buttermilk. Cut a large “X” about 1 inch deep in top of loaf, wiping blade with a damp cloth between cuts. Bake until golden brown and internal temperature registers 195°F to 200°F on an instant read thermometer, 50 to 60 minutes. Transfer to a wire rack; cool completely. Serve with butter.
