OCTOBER 2018

## Beginner to Advanced Quilting Class

Friday evening October 27, & all day Saturday the October 28.

LDS Church in Eureka

**Instructor: Becky Robinson Hornby.**

The class is **FREE**.

(However, there will be a small fee for materials).

You will need a working sewing machine and be able to make a 1/4 inch seam. Friday night 7-9 pm will be time to meet & get oriented to what each participant needs or wants to learn. Friday night is also a time that any area residents can come see what quilting is all about. I will bring various items that I have completed showing different techniques.

I will have refreshments. Saturday, the plan is to start at 9 am to 5 pm. Bring a sack lunch. This should be a fun activity to introduce each participant to the art of quilting. This isn't the quilting our Grandmothers taught us!

There are so many patterns, fabrics, & tools on the market to assist you in making your creation. I will share my knowledge of sewing & quilting that I have learned over the past 20 years. I was never going to be a "quilter." I had already many sewing & garment construction skills, thanks to my great mother Betty Robinson! Quilting is a definite "Art" form. The fabrics that are designed by various companies these days are beautiful. The patterns are beautiful, as are selections of threads to make & quilt your project. I need each person that hasn't already registered with me to Register by calling me at 406-431-8808. The deadline is by October 20th. My email is [rlhornby@msn.com](mailto:rlhornby@msn.com) if you prefer to contact me that way. This should be a fun event!

## **YOUNG AT HEART SENIORS**

On Wednesday, September 5, we Young at Heart Seniors began our monthly schedule with a potluck smorgasbord.

Marla Coons welcomed all, including our newest member, Lynn Egbert, and visiting McNeil sisters, Slene Foulger, Marilon Roybal, and Rosalie Halverson (former Eurekans). We then pledged allegiance to the U.S. flag and sang "My Country Tis of Thee."

Anna Gillespie gave the financial report, and Betty Cones read the minutes of our August meeting. Rita Mahoney asked the blessing of our Lord on our food and our community. Then we ATE!

Last, but not best, Larry Ewell sang and played his guitar with Leah Towers joining him with her accordion.

Our thanks to Daniel and Kathy Fulton for setting the tables and chairs up, and all those who helped put them away. Thanks to Leah Towers, our tables were seasonally decorated with U.S. flags and fall flowers.

We meet again on October 3rd for lunch. Attention board members: meet for the Richfield trip on September 13; then locally on Sept 19, 10:00 a.m. at Marla Coons home.

### **A special report on our Six County Senior Awards.**

We Young at Heart Seniors are proud to report that our own Leah Towers has done it again: Won Volunteer Senior Award! The United States Presidential Volunteer Senior Award Program began in 2003. The 2005-2018 awards for serving 4000 hours in their lifetime were given to 24 citizens in our Six County area. Leah has accumulated 8735 hours! In this last year alone she received the Silver Award.

Thank you, Leah Towers, for all you do in serving our community.

## *Facts about Building Permits and Business Licenses*

Eureka City has adopted Ordinances regarding both Building Permits and Business Licenses. These Ordinances as well as many others are in place, for the most part, to protect the general health and welfare of the citizens of Eureka.

There are fees associated with both building permits and business licenses. Portions of these fees, especially the Building Permit Fees do not generally stay in the City Funds, they in turn must be paid out for the building inspector's fees, state fees, etc. as well as to help cover the day to day operating costs of the city itself including the upkeep of our parks, city buildings, streets, etc. Businesses, both in-home and commercial, bring in sales tax revenue which is also vital to the day to day operations of the city.

When citizens do not obtain permits or licenses, thinking they don't need one, not only are they putting themselves at risk, but their family, friends and neighbors as well.

Eureka City has noticed, or have been made aware of, some activity around town recently concerning new construction or remodeling as well as citizens selling products or services out of their homes. The products are both homemade and manufactured, and the services being offered range from house cleaning, painting, construction, day care, and others. Some of these are regulated by the State as well.

So, if you or someone you know, is engaged in building, remodeling, or repairing or replacing anything on or in your home; or if you or someone you know, is selling any type of products, please contact the City Office or visit our website [eurekautah.org](http://eurekautah.org), to find out if what you are doing requires a permit or a license. Not everything requires a permit or license, so it never hurts to check first before you build or do business.

Eureka City will be following up on the ones we are aware of, and if the situation is not taken care of within a reasonable time after contact, may result in fines which are established by each ordinance.

The Tintic Historical Society would like to thank the community for their support at the auction held during the Silver Jubilee. This year we made more money than ever before. Special thanks goes out to Doug Wright, Dee Wright, Kathy Fulton, Lyle Nelson, Warren Holman, Joan Morris and Margaret Gillen for their help. Also a big thanks to Kayleen Thomas and Kristen Decker for helping and recruiting new members for our society.

Use this membership form to join our society. We are excited for the future of Eureka City and the organization's expansion preserving our rich history the Tintic Mining District!
