NOTICES

Hello Eureka Residents,

I hope this message finds you well. We at Dominion Energy would like to remind you of the deadline for natural gas service. If you signed a contract during the construction process the deadline to be hooked up for no charge is November 29th, 2023. If you signed up after construction was complete the deadline is 2 years from the date you signed. Also if you haven't signed a contract and would like to hook up to natural gas, and not have a charge for the service line and meter you will need to sign a contract by November 29th, 2023. Please reach out with any questions.\
