NATURAL GAS

On August 27, 2020, Dominion Energy received the Final Order from the Public Service Commission to issue a Certificate of Public Convenience and Necessity authorizing Dominion Energy to construct and operate the pipelines and other facilities in Eureka, Utah and the surrounding areas and to provide natural gas service to Eureka, Juab County, Utah and the surrounding areas. Eureka City received the Final Order via email to Mayor Castleton from **Brad Simons**, Gas Development Services Consultant, Key Accounts, Business Development & Social Contract. Anyone interested in reading the Final Order may do so by visiting the City Office and requesting to read the whole document. A copy of Exhibit A from that document has been included in this newsletter under NOTICES.

IMPACT FEES

On June 25, 2020, an **Ordinance Adopting Impact Fee Analysis and Imposing Certain Impact Fees for Wastewater, Water and Parks, Recreation, Trails and Open Space; Providing for the Calculation and Collection of such fees; Providing for Appeal, Accounting and Severability of the Same, and other Related Matters**, was adopted by the Eureka City Council.

Growth and Development Activities in Eureka City will create additional demands on the infrastructure. The persons responsible for the growth and development activities should pay a proportionate share of the costs of the facilities needed to serve the growth and development activity.

Before the Fees could take effect, we had to go through a 90-day waiting period. As of September 23, 2020, that waiting period is up.

The Impact Fees will be as follows:

Wastewater	\$1,697.96
Water	\$ 349.03
Parks, Recreation, Trails and Open Space	\$1,303.25

An impact fee is a one-time fee that is implemented by a local government on new development to help fund and pay for all or a portion of the costs of public facilities that are needed to serve new development. These fees are usually implemented to help reduce the economic burden on local jurisdictions that are trying to deal with population and commercial growth within the area.

TINTIC SILVER JUBILEE:

One more Tintic Silver Jubilee is in the books. Overall, the celebration was deemed a success. With all of the volunteers coming together to pull it off at the last minute due to all of the COVID-19 regulations set forth by the State and Local Health Department. We want to thank everyone that donated to our celebration, purchased a banner, or helped out in any way. All the help was truly appreciated.

The Tintic Silver Jubilee Committee still has T-Shirts available for purchase from our Town Celebration if anyone is interested. (S-XL \$15.00, 2X-4X \$18.00). Stop in or call the City Hall to purchase yours.

Be sure to have your children enter the Monthly Coloring Contest, and watch for more fun activities throughout the year.

OBITUARIES

Gary Elmo Boswell **1943 - 2020**

Gary Elmo Boswell, 76, of Eureka, UT, passed away peacefully at home surrounded by his loving family on August 26, 2020. He had Parkinson's and dementia but fought a hard battle and was coherent and active until the end.

Gary loved the outdoors. He loved to boat, fish, camp, hunt, and spend time with his friends and family. He was a lifetime member of the Tintic Elks Lodge B.P.O.E. #711. He also spent time as a member of the local search and rescue Jeep Patrol.

He worked in many of the Tintic mines as well as in Nevada, Arizona and near Tooele. He began that career in his youth as a laborer and transitioned into supervisory roles and heavy equipment operations. He retired at EG&G Tech Services in Tooele as a PAS/Utility Operator and a certified operation supervisor. Most interestingly, he spent some time working at Area 51.

Gary was a wonderful Father, husband and friend and will be missed by all who knew him. He is survived by his wife, Janice and daughters Annette Fields (Payson, Utah), Natalie Boswell (Cumming, GA), 2 grandchildren, 1 great grandchild, and his sisters; Barbara Wilde (Glen), Eureka, Utah, Patricia Redmond (David), West Jordan, Utah and Connie Stanfield, Santaquin, Utah. He was preceded in death by his Father Elmo, Mother Leah, and son Gary Lynn.

The family would like to extend a special thanks to all medical personnel and supportive staff who visited, helped him through his struggles and into his next journey.

Graveside services will be held 11:00 am, Monday, August 31, 2020 at the Spanish Fork City cemetery.

Steven Atom Baum

Steven Atom Baum, age 72, died in his home surrounded by loved ones on September 1, 2020. He is survived by his devoted wife, Karen Marie Davis Baum, and two children, Michelle Wall (Cory Wall) and Edward Baum (Kellie Anderson) of Eureka, Utah. Also Steven Baum Jr. (Janet Baum) of Ogden, Utah. He is preceded in death by daughter Lisa Dyer (Jeromy Dyer) of Eglon, West Virginia. He also has many loving grandchildren.

Steve is a veteran of the Vietnam war. He served honorably in the US Army as a Staff Sergeant and carried on to retire from the DOD as a police officer and also retired from the Air Force Reserves after 30 years of service. One of his proudest moments of his tour in Vietnam was his parachute drop with his whole Brigade in the heart of the conflict. Steve had over 100 jumps. Steve was a proud soldier and always held his head high with honor.

Steve's greatest achievement in his personal life was his family. They shared in many adventures from coast to coast including amazing hikes and trophies from hunting and countless hours on the lake slaying fish.

Steve has always been the life of the party everywhere he goes. The man with a story and a playful joke. His brilliant smile will never be forgotten. Funeral arrangements are to be announced.
