TINTIC SILVER JUBILEE

Thank You!

The Tintic Silver Jubilee Committee would like to thank everyone that helped out or participated in our annual celebration this year. This event takes many hours/days to plan all of the events for the whole community to enjoy. Without all of your support, we could not have accomplished such a huge endeavor. We know we will possibly miss someone in the thank you's, but please know that we appreciate every bit of help and support from all residents, businesses and visitors to our wonderful community.

Special Thanks to:

Eureka Recreation Committee Members & Families - Jeremy Snell, JaNeel Nielsen, Laura Kirgan, Cindy Child, Patricia Bigler, Brittany Bigler, Jessica Nielsen and Marisa Davis

Open House

Our parents Max & Afton Berry are celebrating their 75th Wedding Anniversary on the 23rd of September. They were married September 22, 1948 in Payson, Utah.

They have lived in Eureka all their married life, 4 1/2 yrs. in Dutch Town and the rest in Eureka City. They have 3 children, Max Jr., Kathleen & Scott.

We are having an open house to celebrate their big day on September 23, 2023 from 3:00 pm to 5:00 pm at the Eureka Ward and would love to have you celebrate with them. It's come as you are. We would love to see you all there. No gifts please.

Mountain Valley Area Preparedness Group Seeking Donations

The Mountain Valley Area Preparedness group has been made aware of a need within the area. This area includes Genola to Eureka and includes Goshen Elementary School, Eureka Elementary School and Tintic High School. There have been instances within the past few years when schools have been forced into lockdown, usually because of SWAT activity within the community. We are also aware that there are times when schools are locked down because of activity within the school and students are locked in their classrooms. We want to supply every classroom with two healthy snacks (granola bars, trail mix packs etc.) and one bottle of water for each student who may be in that classroom at the time of a lockdown. We need the community to help us meet this goal. If you can donate snacks, bottled water or money, please call me, Nick Castleton 435-225-7539, bring it by my house, take it to the City Office, or take it to Tintic School District Office. Any contribution will be greatly appreciated.

Thanks to all of the great citizens of our great little community.

NOTICES

Hello Eureka Residents,

I hope this message finds you well. We at Dominion Energy would like to remind you of the deadline for natural gas service. If you signed a contract during the construction process the deadline to be hooked up for no charge is November 29th, 2023. If you signed up after construction was complete the deadline is 2 years from the date you signed. Also if you haven't signed a contract and would like to hook up to natural gas, and not have a charge for the service line and meter you will need to sign a contract by November 29th, 2023. Please reach out with any questions.\

Tanner Williams 385-312-3002

PUBLIC NOTICE of COMPLETION
Five-Year Review for the
Eureka Mills Superfund Site
Juab County, Utah

Summary: Fourth Five-Year Review Completed

The Utah Department of Environmental Quality, Division of Environmental Response and Remediation (UDEQ/DERR), and the U.S. Environmental Protection Agency (EPA), Region 8, have completed the fourth Five-Year Review for the Eureka Mills Superfund Site. Five-Year Reviews are required by the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) when hazardous substances remain on site above levels that permit unrestricted use and unlimited exposure. Five-Year Reviews are conducted to evaluate the site remedy and to determine whether site conditions remain protective of human health and the environment.

Protectiveness Statement: The EPA has determined in the Five-Year Review that the cleanup remedies in place at Operable Units 00-04 at the Eureka Mills Superfund Site are protective of human health and the environment. Exposure to mine wastes were addressed through remedial and removal actions to grade and cap the mine wastes in place with geotextile liners and armored rock and excavation of contaminated soils in residential and commercial properties. Implementation of environmental covenants, a local land use ordinance, and the Soil Excavation Permit Program continue to address excavation work in Eureka where contaminated soils are left in place.

This Five-Year Review Report was signed July 18, 2023 and the next Five-Year Review is required five years from the completion date. A copy of the review is available at the DERR Offices located on the 1st Floor, at 195 North 1950 West, Salt Lake City, Utah, 84114. Please call for an appointment to review records at (801) 536-4100, Monday through Friday, from 8:30 A.M. to 4:30 P.M.

The document is also available electronically at the UDEQ/DERR website at <http://www.environmentalresponse.utah.gov/> Or visit the EPA website under 'Key Documents' at: <https://www.epa.gov/superfund/eureka-mills>

OBITUARIES

Iris D. Swenson

April 18, 1935 ~ August 29, 2023

Iris D. Swenson, 88 of Eureka, Utah, passed away August 29, 2023, after complications from dementia. Iris was born on April 18, 1935 to Alma and Cynthia Hawkins in Eureka, Utah. Iris married the love of her life, Arnold Swenson in 1957. They had two beautiful daughters, Cynthia and Rachel.

Iris was a talented painter of ceramics, an avid reader and enjoyed gardening and baking. Iris was well-known for being a little spitfire. She was sassy and loved to argue and was quite good at it. In her later years she loved being a grandma. All of her grandkids considered her a second mom. The grandkids spent most of their summer days with grandma watching *The Price is Right*, baking cookies or learning to paint ceramics.

Iris was preceded in death by both of her parents, two brothers and two sisters. She is survived by her twin sister Irene Ellsworth; her husband, Arnold; her two daughters Cynthia (Terry Kirgan), Rachel (Darrin Carlson); her 5 grandchildren Jace (Ashley) Kirgan, Dayna (Chris) Rush, RaeLe (Daymon) Barnes, Zane Kirgan, KayAnn (Josh) Adams, and 3 great grandchildren, Cooper and Ember Kirgan and Baby Adams.

She will be missed greatly. The family would like to thank the staff at Seasons of Santaquin and Valeo Hospice for their compassionate care of our mom.

Graveside services will be held at Eureka Cemetery September 2, 2023 at 1:00 pm. There will not be a luncheon afterwards.
